FORT WAYNE PET FOOD PANTRY

In 2017, we more than doubled the amount of food served in prior years.

We provide pet food at no cost to pet owners who are struggling financially and cannot afford to feed their pets.

By providing free pet food to those in need, we are able to:

- ◆ Reduce the number of animals taken to a shelter
- ◆ Reduce the number of animals euthanized due to overcrowded shelters
- ◆ Relieve pet owners of the emotional stress of not being able to feed their pets
- ◆ Preserve the loving relationship that pet owners share with their pets

2017 VITAL STATS

We have so much to be thankful for this year! This has been a record breaking year for Fort Wayne Pet Food Pantry, serving TWICE as much food as last year! Every check we get in the mail, every coin that's dropped in our donation jars, and every bag or can of food that's put in our donation bins help to keep another pet at home with its family. The Fort Wayne community continues to be extremely supportive of our mission, and we are forever grateful to all those individuals who give from their heart every day of the year!
