January 2017

2016 Statistics - The final numbers are in for the year!

2,387 pet owners	8,764 pets	23,658 pounds of dry pet food
11,589 cans of pet food	1,526 pounds cat litter	922 volunteer hours

The final numbers are in for our pet food distributions last year, and show that 2016 was our busiest year EVER! It's a great feeling to know that we were able to help even more pets in need, thanks to all of your support and generosity!

We are also off to a great start for 2017 with the abundance of donations we received from holiday pet food drives held at several businesses over the past couple months!

Our Angel Trees at Pet Supplies Plus were a big hit again and generated more donations than ever before! Both locations were equally successful, collecting a grand total of 1,012 pounds of dry food, 434 cans of food, plus treats, toys, litter, and gift cards! Thanks to everyone who donated and to both PSP stores for their support!

Special Thanks to these organizations for their recent pet food donations!

Perfect Timing!

A few weeks ago we located an offsite storage unit! It's the perfect size, convenient location, and very clean! Within a few days of this discovery, we learned about a new source of pet food where we only have to pay pennies on the pound for quality dog and cat food. Thanks to a couple of our volunteers who have trucks and trailers, we were able to pick up 2-3 months' worth of food. We couldn't have accepted this shipment without our new storage unit. Everything seemed to fall into place at just the right time!

Registration is open!

It's not too early to register for Fort4Fitness's Spring Cycle in May or the Fall Festival in September! When you register, please consider selecting us as your Charity Partner. A portion of your registration will be donated back to our pantry to help keep pets at home with their families! We are proud to be a F4F Charity Partner for the 6th year in a row!
